

## **Architect**

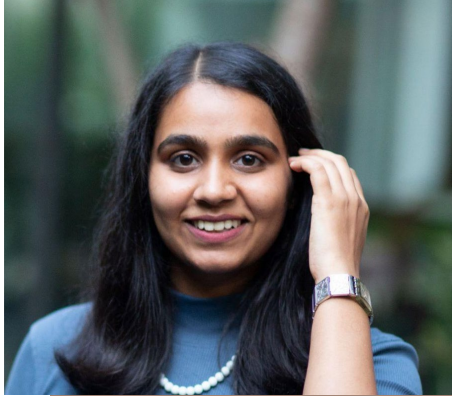

Anushri Patel & Krima Shah

## **Firm**

Hiren Patel Architects

## **Inspiration:**

The design stems from the concept of a "Monkey Forest," where like-minded individuals gather in a sanctuary. Blending organic monkey forms with formal checkers, the result is a candelabra. This design invites a sensory experience, merging smell, heat, light, and touch to create meaningful interaction.

**Premium Italian Wood Finishes by**  
ICA PIDILITE

**Manufactured by**  
SWATI INTERIOR

**Architect**
